New Dahllaland Introductions

"ROYAL PURPLE"

A shining bright purple in full bloom all through October. Very prolific and hardy and a fine cut-flower in a scarce color. Oct. 1st. Plants \$1.00 ea., 3 for \$2.25

"YELLOW BASKET"

In full bloom from September on, we regard it as an improved Judith Anderson of which it is a seedling. Deep yellow and larger than its parent. Cushion. Plants \$1.00 ea., 3 for \$2.25

"WHITE CLIFFS"

This variety came to us from an expert who has been growing it for several years. It is easily the best hardy large white in her gardens. Large double English incurved type. Flowers normally Sept. 25th. Plants \$1.00 ea., 3 for \$2.25

"EMPIRE GOLD"

(Ohio Hybrid)

An improved Gold Standard with earlier blooming habits. A heavy bloomer that is unexcelled as a very large cut-flower. Test for several seasons and sure to winter in cold climates.

Plants \$1.00 ea., 3 for \$2.25

"NIPPY"

A perfectly formed pompon of bright yellow with a compact spray ideal for cut-flowers. A decided improvement over our standard yellow garden varieties; the quality, color and stem length are such to closely rival greenhouse grown counterparts. Blooms normally Oct. 1st.

Plants 75c ea., 3 for \$2.00

"WINTERSET"

Still the best of the large pure whites. Blooms September 25th on and is very hardy. A fine pot plant and cut-flower. Don't miss it this season. Plants 75c each, 3 for \$1.75

"PINK PRINCESS"

Stock again available on this dainty pink button from Judith Anderson seed. Very hardy and a well shaped Sept. 1st bloomer.

Plants \$1.00 ea., 3 for \$2.25

"HONEYCOMB"

Yellow pom, matures Sept. 25th. A vigorous growing pompon that is a marked advance over the well-known Early Yellow. Adds a distinctive note of formality to the fall garden scene.

Plants 75c each, 3 for \$2.00

"SPELLBOUND"

Lavender pink decorative, matures Sept. 25th. A striking three-inch double that combines the grace of Lavender Lady with the durability and substance of Jean Treadway. A solid compact bush attaining the height of 24 inches. A wonderful showy mass in the garden.

Plants \$1.00 ea., 3 for \$2.25

"SERENITY"

White Daisy, Sept. 25th. Early showy flowers borne on rigid compact plants. Very resistant to winter kill and a beautiful creamy white that opens rapidly to a real show of literally hundreds of blooms. A beautiful border or hedge plant.

Plants 75c each, 3 for \$2.00

Hardy Garden Chrysanthemums

DAHLIALAND offers you the best in standard garden varieties plus ten outstanding new introductions. Chrysanthemums may be planted from April till July. They do well in any soil, in any sunny location. Try the cushion sorts for borders and the taller kinds for those long-lasting cut-flowers that come when all other flowers are gone.

Cushion Mums

40c each; 3 for \$1.00; 12 for \$3.50

YELLOW CUSHION—Large showy golden yellow, very good. Early.

GNOME—Bronze and salmon pink. Very tough. Sept.

DAHLIAMUM—The purple cushion, double quilled flowers. Sept.

ROSE MOUND—Deep pink on wonderful dark green bushes. Very hardy. Oct.

WHITE CUSHION—Loads of pure white double flowers, very prolific. Sept.

EARLY JOAN HELEN—Aug 20th, dazzling violet with yellow centers. Very showy and in a different color.

6 Cushion Mums, one each of above for \$1.00

Pompon Mums

Fully double flowers from 2 to 3 inches on long stems, useful for garden show or cut-flowers.

40c each; 3 for \$1.00; 12 for \$3.50

ALGONQUIN—Aug. 25th—Bright yellow on medium sized bushes. One of the first to bloom.

AVALANCHE—Sept. 15th.—The standard large white for cutting. Very popular for florist use.

BETTY—Sept. 25th—A long-stemmed beauty in a bright rose shade. A new variety destined to become very popular. Flowers 3 inches.

CHEPPEWA—Sept. 15th—The earliest of all our purples. A long-stemmed bush that is very early and continuous. Very popular.

CHARLES NYE—Sept.—A big bright golden yellow that comes very early in the season. An outstanding new variety.

CHRIS COLUMBUS—Sept. 20th—A nice erect growing white with a yellow center. Semi-double and outstanding for the garden.

BONFIRE—Oct. 1st—Fiery orange on nice rounded bushes. Fully double and extremely frost resistant.

FRED ROCKWELL—Oct. 1st—Brilliant flame. A fine long-stemmed grower with a different color. Fully double and very hardy.

HEATHERBLOOM—A pretty low-growing rose pink that blooms early in September. Very nice.

GLOWING COALS—A cherry red double that fills a well-needed spot for a good red. Earlier than Red Velvet.

OLD COPPER—The sensational yellow introduction of Rocknoll Nursery that is fast becoming the best of all yellow garden varieties. Deep golden yellow balls blooming in Sept. Very large.

GOBLIN—Oct. 1st—A fine frost resistant bronze orange pompon. Makes a fine cut-flower and lasts far into the winter.

TIFFANY ROSE—A beautiful large mulberry pink that matures early Oct. A sensation wherever grown and one of the best pinks. Very large.

SEPT. SHELL—Soft lines. Quite the hardiest of all our lavender varieties. Matures Sept. 20th and makes a nice garden plant. Very healthy.

JEWEL—Oct. 10th—Very good deep pink pompon. Bush tall and erect. Very good for cutting.

KING MIDAS—Sept. 1st—A very large light yellow on strong growing bushes. Early to bloom and continues until frost.

OLIVE LONGLAND—Oct. 1st—A large double flower of pretty salmon pink. Very outstanding. A good cut-flower.

PINK RADIANCE—Sept. 20th—Pretty silvery pink on very long stems. A very fine variety in this scarce color class. Fine for cutting.

MRS. DUPONT—Sept. 25th—A fine light salmon of large size. Sturdy, upright bushes that are loaded with bloom.

RED VELVET—Sept. 15th—The best red double mum. Brilliant dark red flowers that cover the bush. Blooms 3 inches.

WHITE KNIGHT—Sept. 15th—A large white of good double formation. Big bushes and always covered with flowers.

English Hybrid Chrysanthemums

English mums grow the same as other hardy types, but the blooms are larger. They may be grown naturally as sprays, but disbudded they will grow four or five inches across.

60c each; 3 for \$1.75; 12 for \$4.75

CHARM—A sensational large lavender pink incurved. Bushes loaded with flowers, and all of them perfect. Easily the best large pink.

FREDA—Bright pink on long slender stems, well adapted for cutting. Flowers quilled and fully double.

ROSE PRINCESS—A deep mulberry pink flower on tall, erect plants. Comes into bloom Oct. 25th, is a good cut-flower.

ALFRETON BEAUTY—Oct. 15th—A fine glowing amber of fine incurved form. Large bushes.

ALABASTER—Oct. 5th—A large white on low, wide-spreading bushes. A good grower and very hardy.

BRONZE BUTTERCUP—Oct. 5th—A large incurved bronze and red. Vigorous, wide-spreading bushes.

CALUMET—Oct. 10th—A large incurved lemon yellow that really grows big. Long stems.

CONQUEROR—Oct. 10th—A large crimson red. Bushy plants, very hardy.

BRONZE FREDA—Oct. 1st—A fine bronze cut-flower. Tall, well branched bushes, very frost resistant.

LEDA—Sept. 20th—A very large lavender pink, large bushes and very prolific.

MRS. T. RILEY—Oct. 1st—The largest incurved white. Low, strong growing bushes with flowers up to five inches across. Very good.

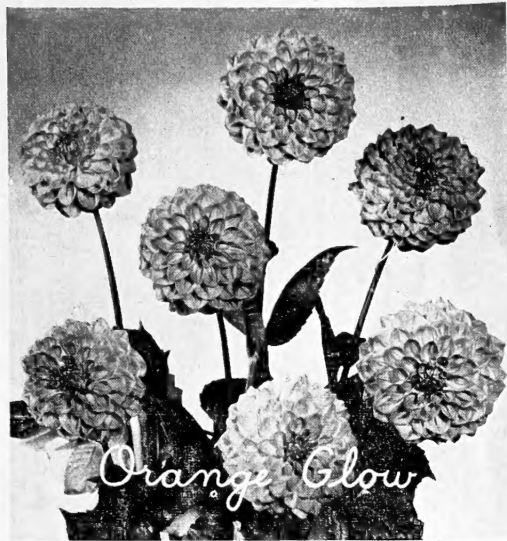

REVELLER—Sept. 20th—The liveliest scarlet we grow. A fine free-blooming variety that comes early and stays till freezing. Long stem—fine for cutting.

SALMON FREDA—Oct. 1st—Beautiful salmon on a long stem. Tall bushes for cutting.

SYRIL—Oct. 5th—A pale pink of unusual beauty. Very large and outstanding.

Giant Exhibition and Cut Flower Dahlias

1948 Dahlia Introductions

MISS JANET—(Naas)

beautiful dark rose pink semi-cactus. to. informal type that really gets big. A soft golden sheen on the face of the flower gives it a combination of colors difficult to describe. Perfect long stemmed growing habits that closely resemble Carl Dahl. Flowers average 10 in. undisbudded and if properly pruned will reach 12 inches.

Plants \$1.50 ea., 3 for \$3.50

PECK'S PINK

A very large lavender pink with a light yellow center. This dahlia has excellent stems and is a very profuse bloomer. Large wide-spreading bushes that at this writing are the best in our fields. Flowers average 10 in. across. A large stock permits us to make the attractive price of
